

ATM SAFETY TIPS

Please follow these important safety tips when using your Vantage Bank Texas ATM card.

- Treat your Vantage Bank Texas ATM card just like cash.
- Do not lend your ATM card to anyone.
- Do not share your PIN.
- Do not write your PIN where it can be discovered.
- Be observant of the ATM surroundings.
- Do not use an ATM that is poorly lighted or obstructed from view.
- Prevent others from seeing your PIN by using your body to shield their view.
- At a drive-up ATM, keep your car engine on, doors locked and windows up while waiting in line.
- Report a lost or stolen card immediately to Vantage Bank Texas. After business hours, call 1-800-528-2273.
- Match your ATM receipts to your bank statement to guard against ATM fraud.
- For maximum protection from ATM and debit card losses, download and use Vantage Bank Texas' CardValet® mobile app. [Watch the video to learn more.](#)

We want to ensure that our ATMs are safe and convenient for you. Therefore, please contact us at (866) 580-7262 if you know of any problems with a facility.
